

About Me

I'm looking for my first job to gain practical experience and, above all, to learn. I excel in collaborative environments and enjoy working with people, where my strong communication skills can contribute to a positive and productive work environment

Tiago Dias

Computer Science and Engineering

Education

2021 - Present

INSTITUTO SUPERIOR TÉCNICO

Bachelor in Computer
Science

Experience

2023

Harvard CS50x

Finished the Harvard CS50x course, an introduction to computer science. This course provided a solid grounding in programming fundamentals, algorithms, and data structures, enhancing my skills in critical problem-solving and software development.

2024

Lifeguard

Received lifeguard certification from the renowned Academia dos Bravos. Acquired vital skills in water rescue, first aid, and CPR. Proven ability in emergency management, ensuring the safety and protection of swimmers in diverse water environments.

Extra Curricular

2018 - Present

Swimmer

I have been a competitive swimmer since 2018, training over seven times per week. My focused training and dedication demonstrate my commitment and discipline, making me a valuable asset to any team
